Check that volunteers	Tick to confirm
Are aware that there will be aftershocks and able to cope with this.	
Are aware that working in post-earthquake conditions on farm is a physical role and a good level of fitness is required.	
Know what work I will be doing and what is expected of me.	
Have received and understand the information on the risks and working in an earthquake zone.	
Have appropriate clothing.	
Have appropriate footwear.	
Have enough food and drink for 24 hours.	
Are aware this is a sensitive situation and no imagery is taken or posted on social media channels.	
Are aware that I must communicate my departure and arrival to and from the farm to the organiser.	
Are aware of what to do in case of an emergency and where emergency items such as first aid kits are.	
Are aware they can decline to work on the farm if they are unhappy with any of the farm conditions.	

All volunteers shall follow the 4 golden safety rules **S-T-O-P**

1. **S**afety First
2. **T**hink before you act
3. **O**bserve & Obey
4. **P**ermission to stop any unsafe practice

Signed by the volunteer having read and checked off the above (accepted by email or physically).
